## Skills

### Language

Danish	Mother tongue
English	Fluent in written and speech
German	Basic level in written and speech

## Personal

### Personal data

Birthday:      18<sup>th</sup> of May 1965  
Children:      3 kids, - one still living at home

### Family & friends

My family is my base and it is the most important for me. I am very privileged to have very good friends. Some are long-term relations and other via network from different residences / studies / jobs.

### Sport

Hand ball has always been a big hobby. At first as an active player and now as supporter in the local club. I am active in the local fitness center 3-4 times a week. It gives a physical well-being.

### Story Telling

Since being a child I have been loving story telling in books and movies. It is nice to immerse into a literal world as entertainment as inspiration.

## References

It is of course possible to obtain references with name and contact details.
